## Off-Season

Happy Summer Twain Harte Lake Association,

This email is to inform you that to begin the Off-Season this year, we will not be allowing access to the lake through the off-season access gate. Immediately following the close of the lake on Labor Day, Sept. 4th, we will be draining the lake and starting on some very important projects that will make the lake more accessible for our members and their guests as well as performing scheduled maintenance on our dam. We will also be draining the lake as part of our Silt Removal Project to analyze the lake bed and possibly begin the early stages of the dredging project.

It is important that we drain the lake and start these projects immediately because they require dry conditions and we need to complete them before the winter snows and rain, and then being filling the lake during the winter and spring months.

We feel that the closure of the off-season gate will be beneficial to the contractors that will be assigned to these projects. It will also be necessary to keep people out of the lake area as we undergo these projects for the safety of our members and contractors. Once these projects have been completed, we will open up off-season access to our members and their immediate family members via the off-season gate.

Once again we would like to emphasize that these projects are all necessary and

---

will improve the overall experience for members and their guests here at the lake for years to come.

### **Labor Day Weekend**

This is a reminder that all three days of Labor Day Weekend are reservation days. If you are not able to make your reservations please cancel or downsize so that other members are able to add reservations. You can check reservation availability by logging into the member dashboard on the Twain Harte Lake Website. If it is not showing the date you wish to make reservations for, it means that that date is completely full. We also have 300 walk-in spaces available on these dates as well which are on a first come, first serve basis.

### **Survivors Party**

We are happy to announce the return of our Annual Survivor's Party. Please join us for a members potluck on the Oak Deck at 6 PM on September 4th. We will provide a barbecue to cook your food on. Please join us for the end of the season celebration.

***If you would like to contact the lake regarding this email, please do so by emailing the lake directly at [thlake@sbcglobal.net](mailto:thlake@sbcglobal.net).***

Thank you,

Twain Harte Lake Association
